### **Qualified 2010**

### **Education**

Mount St Mary's Convent School  
Exeter College  
Cardiff University  
University of the West of England – LPC

Tegen joined Darwin Gray in 2007 as a trainee. Upon qualification in 2010, she continued her work in the Dispute Resolution team and the Corporate and Commercial team. She was promoted to Associate in early 2014.

With her commercial experience, Tegen acts for a wide range of clients, including private companies, charities and third sector entities.

Tegen is regularly instructed to review and advise on commercial contracts of all types, including software and intellectual property agreements, distribution agreements including those with an international connection.

Tegen advises on a broad range of corporate matters and disputes connected with

incorporation and shareholders' agreements as well as business reorganisation and restructuring.

As a member of our British Franchise Association-affiliated Franchising team, Tegen acts for both franchisors and franchisees in connection with the review of franchise agreements and the sale and purchase of franchise businesses.

In relation to Dispute Resolution, Tegen is regularly instructed in relation to a variety of specialist areas including construction and professional negligence claims. In addition, Tegen has significant experience in insurance claims, recently acting for and advising professional sportsmen in this area. Tegen has also acted in insolvency matters, both for and against directors of insolvent companies in respect of their fiduciary duties and antecedent transactions.

### **Personal Interests**

Tegen enjoys learning languages, and is a big fan of the outdoors. She loves walking, hiking, and camping.
